

# STEP INSIDE YOUR FUTURE ELEVATOR. BEFORE YOU DECIDE.

 **PE LIFTS**  
Elevator World

Choosing a home elevator is a meaningful decision.  
Seeing how it fits your space matters.

**PVE's Augmented Reality** lets you place a life-size vacuum elevator model in your home using your phone or tablet.  
Explore the details. Decide with confidence.

## SEE A FULL-SCALE ELEVATOR IN YOUR HOME.

### See the Fit:

Visualize exactly how the elevator fits in your home. Easily adjust its placement.

### Experience the Interior:

Walk inside your elevator using your phone. Look up, down, and around to feel the space.

### Explore the Details:

Get up close. Compare models and color options to match your home.

EXPERIENCE IT  
AT HOME IN JUST  
A FEW STEPS:

### Step 01: Quick Setup

Scan the **QR code** to install the free **Augment app** on your phone or tablet. Available on the Apple App Store and Google Play.

Apple  
App Store

Google  
Play Store

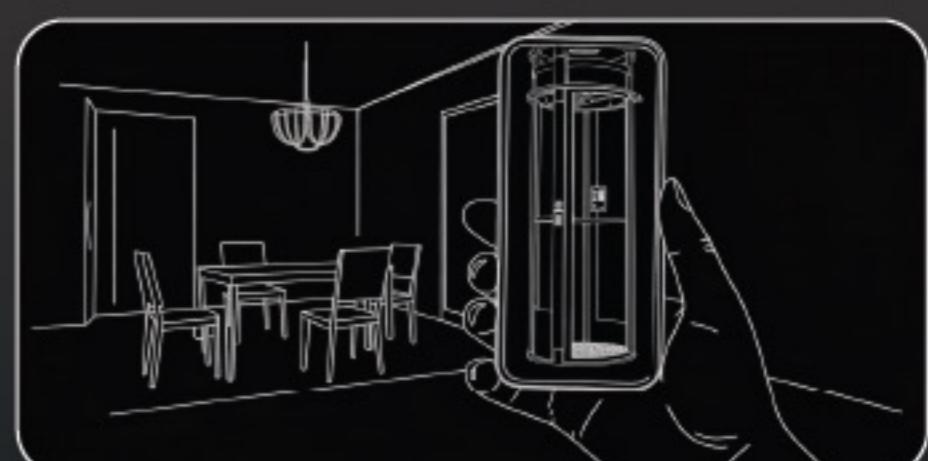

### Step 02: Pick & Scan

Flip this page over and **use your device's camera** to scan the QR code for the model and color you want to view.

### Step 03: Place & Explore

Point your phone **at the spot** where you want the elevator. **Tap to place it**, then walk around and adjust it in your space.
